Mayor Gives News Report

To the Citizens of
The Town of Appomattox:
The regular meeting of the Town Council was held on Monday, May 16th, at 7:30 P. M., in the Town Office. The regular order of business was transacted.
The Council decided in conjunction with the Garden Club, to sponsor a "Two Weeks Clean-Up Campaign." This campaign will begin on Monday, May 23, and will run through Saturday, June 3. During this two-week period, one of the Town trucks will be available for 8 hours a day, with two men to help move the trash and debris. I plead with all of you fine people to give the Town and "The Garden Club" your cooperation and assistance and I sincerely believe that this campaign will be a big success. During this period the Town employees expect to exert their best efforts toward cleaning the streets and sidewalks and to move trash and debris from private property that has been piled near the street. If for any reason the debris from your property has not been moved within 5 days from the time you collected same, then please call the Town Office and I am sure that it will be taken care of. Let's everyone help make this campaign a success.
The Council adopted a new ordinance concerning all new and future streets that may be developed and opened within the corporate limits. You will find a copy of this published in this week's issue of the Times-Virginian. If possible, every one can, please take a few minutes and study this, for it is most important.
It was very gratifying to note that the Council again had the pleasure of approving some new building permits for both residential and business property.
Your counsel and advice on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.,
Mayor, Town of Appomattox.

EVERGREEN P.-T. A.

A successful year for the Evergreen Elementary School P.-T. A. was climaxed at a meeting on last Monday night. At this meeting, new officers for the year were elected.

Little League Ball Games

The Appomattox County and the Rustburg High School will form together this summer to play in a Connie Mack League, which is composed of Brookneal, and the County of Campbell, the City of Lynchburg, and Amherst County, Madison Heights. This four team loop will consist of boys who are 16, 17, and 18 years old.
The baseball games will be played on Wednesday and Saturday nights at 8:00 o'clock. The games will be played at the Town Park for the Appomattox team, Brookneal will play at Brookneal; Lynchburg will play at City Stadium, and Amherst - Madison Heights will play at City Stadium in Lynchburg.
This should be a good league, and offer a chance for high school players to play more baseball each year.
The state winner will go to Florida for a play-off, and then on to national play-offs.
There will be 11 boys picked from Appomattox County and 4 from Rustburg, for a team of 15 boys. They will play an 18-game schedule during June and July.
The first game for the Appomattox team will be on June 1, here at 8:00 P. M., when Appomattox will play Brookneal.
In order to run this team, insurance and fees must be paid. Therefore an appeal is made for funds from interested individuals and businesses. A solicitation will be made for contributions.
It is also hoped, according to A. H. S. Coach Gordon Bragg, that a Little League will be organized here this summer, with four teams from this county. It is hoped that teams can be entered from Pamplin, Oakville and Appomattox, and some other county team. Any interested in entering a team or joining one of the teams, is asked to contact Coach Gordon Bragg at 4242, or 2047.
A schedule of the Connie Mack League will appear in this newspaper, along with the roster of the players.

Golf Club Seems Certain

An enthusiastic meeting of those interested in organizing a golf club was held at the Court house last Friday evening. Due to the evidence of interest and support, it was decided to act up a temporary organization, and to name committees to execute the actual formation of the club.

There will also be an opportunity after the graduation exercises for pictures of the seniors receiving their diploma.
You are requested not to take pictures during the graduation since it effects the progress of the program and detracts from the dignity of the occasion.

WHEAT PRICE SUPPORT ANNOUNCED

As the 1960 wheat crop reaches maturity, the local Agricultural Stabilization and Conservation office announced that the average support level this year will be $1.77 per bushel.
C. D. Lewis, the ASC Committee Chairman, said that this is the national minimum average and is based on July 1959 parity price of wheat. A final rate will be announced later for Appomattox Co.
Historically, the support level of wheat in Virginia is about 29 cents higher per bushel than the national average. The support rate on wheat varies among counties from 1 to 3 cents per bushel. Unofficially, Mr. Lewis said, the 1960 crop wheat support price will likely be about $1.94 to $1.97 per bushel for No. 1 wheat, with certain applicable discounts for other grades.
